

Registration Information

Please fill this form out completely. Be sure to indicate which activities you would like to attend. Couples or families may fill out one form as long as activities are the same.

Registration is required for all events listed on the opposite side of page. Participant numbers are limited for field trips. Pre-registration is the best way to ensure you get your first pick of trips.

Early registration must be postmarked by May 1, 2005, to provide an accurate count of participants. Early registration fee is \$35.00 per adult. Children 12 - 18 are \$12.50. Children 12 and under are free.

Registration entitles you to a continental breakfast on Saturday and Sunday, the banquet and keynote address on Saturday night, and most field trips. Somefield trips require an extra fee.

After May 1st, you may still register as space allows. Late registration fee is \$45.00 per adult. (Children's fees remain the same)

Cancellation Policy:

- Trips will be held rain or shine, cold or hot. No refunds will be issued unless trips are cancelled by the triplerader for extreme weather conditions.
- If you need to cancel your registration, full refunds will be issued prior to May 1, 2005. No refunds will be issued after May 1st.
